

**windrose '87**

**st. michael's college**

in memory  
of  
**REVEREND JOHN M. KELLY c.s.b.**  
july 27, 1911 - sept. 26, 1986

This year, Windrose '87 is dedicated to the memory of a great man who contributed much of his time, effort and love to benefit the community of St. Michael's College and the University of Toronto. Father Kelly was an inspiration to all students and to all faculty members.

Father Kelly was born on July 27, 1911 in Scranton, Penn. He entered St. Mike's in 1927, receiving his B.A. in 1932, his M.A. in 1937 and his PhD in 1947. He first entered the Basilian Order in 1932 and was ordained to the priesthood on Dec. 19, 1936. After leaving St. Mike's, Father Kelly returned in 1940 as a member of the Philosophy Department.

During the next 46 years of his life, Father Kelly was to become an intricate part of the St. Michael's Community. He held many positions; he was the President of St. Michael's College for 20 years, Director of Alumni Affairs and Development for 29 years, Chairman of the Philosophy Department for 11 years, and he was a member of the University Senate for 14 years. His achievements did not go unnoticed; in 1967 he received

the Canadian Centennial Award, in 1982, he received the degree of the Doctor of Divinity from St. Michael's College, fittingly, 50 years after his first graduation from St. Mike's, and in 1984, he was awarded an Officer of the Order of Canada. In addition to these, Father Kelly received other numerous awards and honorary degrees in recognition of his many accomplishments.

Father Kelly touched the hearts of many and those he touched will always remember him for what he was: an administrator, an avid sports fan, an educator, a priest, and a friend to all. He will always be remembered in his priestly black suit and his striking white hair surrounded by a halo of gray smoke.

Father Kelly will never be forgotten by the students or faculty of St. Michael's. We offer him our most sincere thanks for all that he has done to make St. Michael's and the University of Toronto what it is today. We will undeniably miss the twinkle in his eye and his heart of gold.

*An Old Irish Blessing*

May the roads rise with you,  
And the wind be always at your  
back;  
And may the Lord hold you in  
the hollow  
of His hand

# orientation '86

Orientation '86 will long be remembered as an incredibly wild and exciting time. Most importantly, however, it successfully attained its prime objective of introducing and welcoming first year students to university life at St. Michael's. Credit for the outstanding achievement must first go to the core group of organizers, that is the coordinators, John DiSebastiano, (Tormen!), and Paul Grieco, and the marshals, Bill Boyle, Irene Hozjan, Bill Lisowsky, Judy Pregelj, and Dana Zita. Their intense dedication and long hours of planning (including an 8 a.m. "Power Breakfast" at The Four Seasons and a 2 a.m. "Holy Grail" vigil/meeting) were reflected in the innovative and colourful (O.K., blue!) expressions of both traditional and original Orientation events.

Much of the success can be attributed as well to the hard work and loyalty of the leaders and support staff. Their tireless energy and unwavering support were instrumental in making the events as good as they were.

As well, we say "Hats off!" to the Frosh of Orientation '86, the "raison d'être" for all of Orientation. They must truly be commended for the refreshing spirit, enthusiasm and outrageousness they brought to the college. The sentiment of the Class of '90's first week at St. Mike's was aptly summed up by a most devoted frosh, Simone Stinson, who wrote: "I have enjoyed every minute and even my cold and lost voice haven't put a damper on things for me!"

The memories of Orientation '86 will be cherished by all those involved forever. Every event added its own special magic to the excitement of the week. Orientation started early for coordinators, marshals, leaders and support staff, who got together on Labour Day to become reacquainted and to prepare for the week to come - there was a big party at Rovers that night (which was more painful for some than others!). Among the other not-to-be-forgotten events was The Crusade, which included dropping by to visit friends at Devo and a spontaneous early evening bash at Trinity. The Scavenger Hunt also warrants honourable mention for having broken the world record for compiling the largest collection of tropical fish ever to be found in a coffee perculator at one time!

The heart stopping frenzy of the Chariot race will always be remembered as well. It was the ultimate test of strength, stamina and stupidity; only a true shopper would risk their life so recklessly in a Mr. Grocer shopping cart! Next on the agenda was the Ukranian Hall - some things are better left unsaid . . . And the SMC 'Musical Sleeping Bag' indeed proved to be a warped alternative to SAC's Musical Chairs game. Finally, the tradition of Hart House Farm, chock full of all its characteristic insanity, was the appropriate end to a fun-filled, action-packed week of events.

The friendships that were initiated and solidified during Orientation, whether over beers at a field game, while dancing on tables in the Hangar, or at a late night bash in front of St. Alcan, will forever be treasured. Thanks are in order to those who made Orientation '86 such an eventful week of fun, frolic and camaraderie, bordering continuously on the "out of control"!

As we now sit back, sipping at Fuzzy Navels over ice, we sum up Orientation calling to mind the new and exciting things we'd learned during that memorable, carefree week in early September. We recollect being taught (over and over and over . . .) that "We are all members of Hart House." And if we could "spin a web, climb a wall," we would chant, "Pigs- yes! Cows - no!", broadcasting live over that infamous Hart House "Rebel Radio." It was made crystal clear, too, (while we tried to "fizz-buzz" our minds away), that, contrary to popular belief, "peroxide does not cause brain damage." And last, but certainly not least, it must never be forgotten that: "Ward, I'm worried about the Beaver."

Orientation '86 - "Hey, you! Check us out!"

## yesterday . . .

Again another year has passed, bringing all of us back to the St. Michael's Community. It's the time to choose majors, select courses and for some just find their way to class. Old friendships are rekindled and new ones are made. Activities, sports and organizations begin, making it difficult to decide between a football game or a two hour lecture.

September brought pubs, beer and pizzas, football and soccer games and Double Blue events and DSAC meetings.

With October came the rains, the turning of the leaves, Homecoming, Thanksgiving and the scary, scary Halloween Pub. This Double Pub event was filled with every costume imaginable.

The milk chased the shreddiees; the daisies warmed themselves at any beam of light they could find; clotheslines froliced with the laundry basket;

Some people bathe anywhere

Some things are better left unsaid

who

doctors and nurses came to the rescue of the bleeding ulcer and the cancan girl's garter.

The Pope, priests and nuns blessed everyone, anyone that needed some type of forgiveness. Crayons mingled with lobsters and could one leave out the Flintstones (who all came separately), let alone the equestrians, the Maria or the Russian wrestler. It was a time to let yourself go, and looking back it seems everyone did.

The flurries of November brought the Rick Hanson Pub, the MRC Formal, Kelly's Korner and Remembrance Day.

Essays, midterms and labs plagued one and all. And the thought of the closing of the first term, the approaching of Christmas exams initiated the consumption of coffee to increase to an all time maximum.

It's all of these interwoven that enable time to pass so quickly; time that has made a period of half a university year seem like a day. For many Orientation '86 was yesterday . . .

# men athletics

St. Mike's Men's Athletics once again proud to be a force to be reckoned with. Our teams have great balance between the veterans and the enthusiastic freshmen. If the success and great participation of this year are any indication, the next couple of seasons will be glorious for St. Mike's Athletics.

In the fall, the tackle football team suffered a couple of frustrating defeats especially the semi-final match played in the snow and mud at Scarborough. Coach Byrd has vowed to bring the Mulock Cup back to its 'home' next year. The touch football team had an exciting season finishing second in the regular season. They lost a very tough semi-final match against Law. The men's soccer team was loaded with talented freshmen but lacked the scoring punch to back up a strong defense. With a large number of players returning, the squad should make a strong run at the 'A' Championship. The men's lacrosse team captured the 'B' Championship to continue its fine winning tradition.

The winter season saw unprecedented numbers of St. Mike's teams participate - 7 basketball teams, 5 hockey teams and 3 volleyball teams. The 'A' basketball has advanced to the finals and is favoured to capture the championship after two near misses. The 'A' hockey team lost to Scarborough in a very tense semi-final. The same remained tied after regulation time, one period of overtime and 5 penalty shots, only to end in Scarborough's favour on the sixth penalty shot. The 'A' volleyball lost a heartbreaking championship match to Engineering. The 'C' volleyball team captured the championship pending an appeal by the losing Pharmacy team.

## women's athletics

For Women's Athletics, 1986-87 can justifiably be titled, "The Year of the Championships." Enthusiasm and a strong sense of St. Mike's spirit carried all four fall teams to the finals. The 'A' Field Hockey team fought a long battle against Scarborough only to lose after an endless number of sudden death penalty shots. The 'B' Soccer team succumbed to an equally strong Medicine team in their final game. However, the 'A' Soccer team beat Erindale in the finals completing a season unfainted by a loss. The 'B' Flag Football team almost didn't make it to the playoffs - not because they didn't qualify, but due to a mistake made by the DAR (Department of Athletics and Recreation) in standings. This was soon cleared up and the team went on to glory - slaughtering Law in the final game.

Winter was also an exciting time for women's athletics although not as successful, there were many energetic and devoted athletes involved. All three volleyball teams had excellent seasons; the 'B' team made it to the playoffs only to be cut short in the quarter-finals by (surprisingly enough!) New College.

The story of the year goes to the birth of women's hockey as a popular sport at St. Mike's. The 'A' team did well, advancing to the playoffs, unfortunately, Erindale proved to be the stronger of the two. The "Killer B's" alone possessed enough spirit and enthusiasm to outfit ten teams. Thanks to Paul Newman and his excellent coverage of the girls' exploits, they scored goals, played a version of positional hockey and drew fans to their games.

Improved participation was evident in the tournament area of intramurals. A great time was had by all who were involved in the squash, badminton, tennis and broomball tournaments.

Many thanks are owed to Brian Dumphy and Richard Marshall, Sports Editors for the *MIKE*, for their keen interest in and their superior coverage of women's athletics this year. We would also like to thank Kelly Pavelick for her help with the Loretto contingent. We also appreciate all those who gave their support as coaches, team representatives and fans, for without you, the year would not have been as successful!

# St. Michael's Faculty & Staff

# messages from: president

You are leaving St. Michael's at a time when the College and its alumni are preparing for a new burst of activity, to build the foundations for the St. Michael's of 2002, our Sesquicentennial Anniversary. You will undoubtedly be a part of those celebrations; we hope that you will be a part of many events and activities here between now and then. This book will serve to remind you of the things that have made St. Michael's special for you - your friendships, activities, studies and games. You take with you now every good wish and blessing for your future, as a part of the invisible treasure of your departure.

James McConica, C.S.B.  
President.

Gerald Campbell Studios

## principal

Dear Students of the Class of 1987:

It is my great pleasure to offer to Windrose '87 the very best wishes of the Principal's Office.

This spring will be an occasion of joy and expectation for us all. For the students, graduation spells the beginning of a new phase in your lives, the hope of a career to your liking, the promise of expanded horizons.

For the College, 1986-1987 is the year in which serious planning for development was begun - for restoration of our buildings, renewal of our academic staff, and advancement of our programmes.

For us all, the year was also marked by sadness at the passing of the Reverend John M. Kelly. His enthusiasm and dedication to St. Michael's live on in those whom he touched and to whom he imparted his love for his college: students, faculty and alumni.

After you have left the University and embarked on a career, please keep St. Michael's in mind by becoming an active member of the Alumni Association, and help it to realize its aspirations even as you achieve your own.

All best wishes for your happiness and success.

Sincerely,  
Barry F. Brown, Ph.D.  
Acting Principal.

## director and president of alumni affairs

You have learned a lot during your stay in university. One object of this increased knowledge is St. Michael's College itself. Through the chaplaincy, through the residences, the lounges and the coop, through courses, through the friends you have made and the people you have met, through your contact with the administration, you have come to know the complexity and, we hope, some of the wonder of St. Michael's. Graduation brings you into a new phase of your relationship with the College; it does not end that relationship.

We welcome you into the ranks of the alumni of the College and invite you to continue to learn and experience more of the wonder of St. Michael's. Graduation is not a goodbye but a continuation; so, stay in touch and, whenever you can, come back to St. Michael's. Good luck and God bless you. We shall try to stay in touch with you.

Chris Driscoll 716  
President,  
St. Michael's Alumni  
Association.  
Robert Madden, C.S.B. 512  
Director,  
Alumni Affairs.

## president & vice-president of smcsu

A yearbook is like a time-capsule, it has those special memories in it that we cherish of who we are and what we did. Most of us are here for some type of education. Some of us want that piece of paper called a "diploma" (with SMC on it) so that we can go on to achieve higher goals. Some of us want to meet and learn from people so that we will be enriched by them later in what we do. Still others of us want to grow through our participation in the St. Michael's community. This is precisely what we have tried to do this year for you at SMCSU. We have grown and we have learned from our experience and we sincerely hope that you benefitted from your participation. We wish you the best of success in the future.

Greg Ross,  
President  
Kristin Marshall,  
Vice-President

## yearbook

Traditions are difficult to break. And Windrose '87 is part of a tradition that will continue to exist. It gives great pleasure to present to you the St. Michael's College Yearbook, the Windrose 1987.

To begin, a yearbook is only possible through concern; concern of you the students, patrons and a hard working group of individuals.

A special thanks you to all of the patrons in the Windrose '87. Without your financial assistance, the production of this book would have been impossible. To all of the patrons and advertisers a most sincere thank you.

And my deepest thanks to the staff of Windrose '87. It is impossible to think (no comments) what would have happened without each of you. There is no way that the Windrose '87 could have succeeded without your talents, dedication and unending humour. It is each one of you that can feel proud of what you have given to the collage and students of St. Mike's.

Jen, without your "Am I still behind?" But, remember I'm drinking them straight," antics, there is no way that I could have found my swizzle stick let alone photos or write-ups

or lists. Maria, you did have extreme trouble keeping up with Jen and I. But, if you did, the yearbook wouldn't have run as smooth as it was able to. And without Tim's quick wittedness and "just relax, slow down, I'm sure it's here somewhere!" statements we couldn't have been so organized. Poor Mari-Ellen, you sure did let your fingers do the walking a bit too much. And your "I just called him, why did you make me call him again? We already have that write-up!" enabled us to cover more ground than ever imagined. What Job

#11872? Rosemary, your running around for names and photos did lessen the gap for each deadline. By the way, can you find some photos from Casa Loma? And Marysia, those backrubs and midnight runs to the K.T. and those "do you want me to see if Noreen has the list?" sure made a world of a difference. I raise my glass to Suzanne. To a girl who will keep her hubby in line (spending wise that is) because you sure kept me there. Suzanne, what do you mean "where's the receipts?"

Pugsly and Wednesday

Uncle Fester and Grandmama

Gomez and Cousin it

Lurch and thing

Silvia, you are an editor's dream. (what were you thinking?) You just knew what was needed. To bad Suzanne wouldn't allow us to redecorate the room. I think the floor to ceiling fish tank would have looked great. Teresa, forget my typewriter, so the keys . . . fall off. Don't worry if "I can't type. Why do you make me type? Cropping, forget it. What needs to be typed?" Irene, I don't like muffins. But, your special quick written copy was most definitely an extra topping to the book. Who mentioned pizza and . . . T.P.? Oh Suzanne.

And to Cara and Lynn, without you there wouldn't be any pictures. And a book without memories captured on film is like a yearbook room without a floor to ceiling fish tank. You were both an automatic flash to this book. And also to Margaret Godec (and her staff of MIKE photographers) for the use of photos when we were unable to cover an event. Do you have any men's soccer pics?

And to the rest of the staff of Windrose '87, my sincere thanks for your help. Without each of you, we just couldn't have accomplished this finished product. And Carla thank you for helping with names and we were in a bind, I appreciate it. And to Joe M. for the use of his flash when mine broke half way through the year.

And finally, to you the students of St. Michael's College. This book is for you to enjoy these memorable years of your lives here at St. Mike's. We wish you great enjoyment with Windrose '87. Don't you think the fish tank should have been a go?

# men's football

Coach - Lex Byrd  
 Players - M. Pierzchalski, P. Devlin, S. Hickey, N. Baxter, A. Flynn, D. Fujisawa, T. Tobin, R. Day, G. Zarb, M. Carniglia, R. Marrone, B. Matthews, J. Lalonde, M. Wyslobocki, D. Madill, R. Villeneuve, C. Sciuk, P. Phillips, G. Ross, G. Sauve, J. Garcia, M. Camacho, M. Racic, P. Wilson, V. Hines, J. D'Neil, S. Robillard, J. Hayes, T. Costigan, P. Syron, J. McGrogan.

The Double-Blue Football team experienced a disappointing season, acquiring a dismal record of one win, one tie and three losses in the regular season. Managing just barely to squeak into the playoffs, they again lost to Scarborough - the division champions. Plagued by a number of casualties earlier in the season, they found themselves with numerous gaps to fill. Coach Byrd has been busy planning and recruiting for next season with the graduation of a number of veterans; Brent Matthews, Mike Pierzchalski, Steve Hickey, Dave Madill, Rob Day, Mark Carniglia, Rob Villeneuve, Tom Tobin, Rob Morrone, George Zarb, Norm Baxter, and Steve Robillard.

## women's 'b' football

### Women's 'B' Flag Football

St. Mike's had only one women's flag football team this year, but it was a championship one. The "Chargers" were well balanced and deep in ability, with a nice sprinkling of rookies to provide added freshness ("what's a 'down and out'?").

The team lost only two of six games during the regular schedule - they being to those most despised of faculties, Medicine and Law. Nevertheless, due to an administrative snafu with respect to the final standings, it took an hour's worth of argument between their loyal coach and an Athletic Centre bureaucrat before the team was assured of a spot in the play-offs. The "Chargers" avenged their regular season losses by clipping Medicine in the semi-final and, in the best game the squad played all year, trouncing Law for the championship.

Even more sugar was added to the sweet taste of victory when the championship trophy was presented by the very same Athletic Centre bureaucrat.

Kneeling: Cathy Hagon, Linda Larose, Pat Lawrence, Mary Chambers, Dorothy Chen, Betty Ann Ryan, Sharon Taylor, Young, Standing: Maureen Fiset, Colleen Quinn, Colleen Davis, Kathryn Marsh, Patricia Nash, Joe McLaughlin, Peter Day, Carla Santomero, Mark Gornitz

What do you mean by a MUD hernia?

## women's field hockey

### Women's 'A' Field Hockey

Again, the St. Michael's 'A' Women's Field Hockey showed that they are the best team that ever welcomed the sun to the front campus and again they came home without the cup.

The defense was stalwart under the leadership of Carla with promising rookies Nicole and Mary Beth. Pat's goaltending was stellar. The midfielders, Janice, T.S., Monica and Pamela consistently controlled the flow of the play and pushed up the ball to the centre forwards, Linda, Katie, and Maria whose dazzling moves often left defenders wondering. The speed of wingers, Wendy and Christina left the opposition in the dust (mud). Thanks for a great season girls and after all did we really lose??!

## women's 'a' soccer

### Women's 'A' Soccer

After a strenuous training camp in the outback of Buffalo, N.Y., the 1986 Women's 'A' Soccer Team embarked on a very successful season, which culminated with the championship. With an undefeated regular season, the girls entered the playoffs with high hopes of capturing the title.

They defeated Victoria 1-0 in the semi-final and went on to meet Erindale in the final. There, they showed the skill, teamwork, and dedication which had brought them this far, and were justly rewarded with another 1-0 victory and the championship trophy. The team was proud of their accomplishments, but they took more pride in the friendships they had formed and the time they had spent together.

*Kneeling:* Kate Graham, Claudine Harris, Debbie Coyne. *Middle:* Paul Grieco, Anna Salice, Jennifer Forbes, Pat Lawrence, Tammy Safford, Mary-Claire Kavanagh, Jennifer Canaleiro, Nicki Fane, Mona McLoughlin, Mary Peelho, Silvia Mazzone, Carla Santomera, Brian Kolpacz. *Back:* Prof. Parsons, Kristin Marshall, Diana McBean. *Absent:* Anita Macdon.

Monkey see, monkey do

Do the monkey mating can.

Monkey in the middle

Going for a banana break

## women's 'b' soccer

### Women's 'B' Soccer

The team improved on last year's record with its first trip to the finals. The team played steadily throughout the season and finished with a record of 5 wins and only 1 loss. Defence was the key as the back line allowed only 1 goal in the regular season.

After a tough quarter-final match, which went into penalty kicks, the team easily defeated New College in the semis to gain the berth in the finals. However, this was not the year. Despite their spirited play the girls could not overcome an early goal by the Meds team and lost 1-0. The team is losing a few regulars to graduation but the nucleus should be similar and is determined to go all the way next year.

Kneeling: Melissa Van Berkum, P.A. Ryan, Elisia Vandenboom, Norcen McDermott, Lieba Sontman, Pierrette Rukles, Carm de la Cruz. Standing: Greg Russ, Madeline Burghart, Wendy Brown, Mary Shago, Sarah Rubinson, Isabella Langford, Michelle Hum, Vaughan Hines, Margot Dorion.

Who'll win this one?

'A' Hockey: This year the team had an impressive season recording 7 victories, 4 losses and 4 ties.

Team: Coach Francesco Bazzocchi, F. Ginannone (Assistant Coach), S. Woodward (Captain), P. Davenport - R. Deschamps - H. Poon (Assistant Captains), N. Allen, N. Beaulieu, D. Belvedere, B. Breen, D. Genuis, P. Kerrigan, S. Kerrigan, N. Keogh, B. McCallion, D. Marinac, B. Vavaroutsos, S. Eyre, S. Monte, D. O'Donnell.

'B' Hockey: This team succeeded to obtain 5 of 6 points in the second season. Team: Coach Carl Sciuk, M. Crombie, G. Caracciolo, J. Brennan, B. Boyle, S. Walsh, R. Villeneuve, M. Driscoll, C. Brown, I. Hozjan, R. Sloan, J. Wren.

'C' Men: Coach Mike Flaherty, K. Sylvester, J. Smith, B. Belanger, T. Taylor, C. Muggaridge, P. Muggaridge, C. Wheeler, J. Muchynski, N. McDermott, D. deSouza, S. Hickey, D. Madill, P. Blaha, P. Davlin, P. Cronin, M. That, M. LeGuerneau, P. Bryce, D. Flora.

'C' Masterskaters: The SMC Masterskaters won the Hoser Cup by advancing further in the playoffs than either the C Men or the Visitors. In the playoffs they beat the Visitors 3-0, sweet revenge for the Schmucky Hockey consolation final defeat. However, in the semi-finals they lost 4-1 to an engineering team in a game in which they simply couldn't put the puck in the net. By the way, where was A.J.?

um... um... just play

# women's hockey

## Women's 'A' Hockey

Last year's Women's A Hockey defending champs were unable to recapture the glorious crown this year. The Shooters bowed down to Erindale in the semi-finals after placing a respectable third in league action.

It is most unfortunate that these statistics fail to capture the true spirit of this awe-inspiring group of talented women athletes.

Coaches from day one, the Shooters struggled through many an early morning game with not more than seven players. Nevertheless, the team, characterized by stamina, courage, and unending devotion, committed itself to finish each and every game. Just ask the cardio-vascular system of each member and they can tell you how strenuous such an undertaking can be!!

Praise is in order to all the girls who so loyally and diligently woke up in the wee hours of the morning to play hockey. That winning isn't everything is certainly a more than a fitting cliché.

1986-7 proved to be an exciting, if not interesting season. To all those fans who couldn't make it this year, next year promises an awesome team, undeniable spirit and an opportunity to regain the coveted championship title! Team: K. Jaeguar, K. Joseph, A. Holt, P. Grell, L. Snitman, L. Jones, M. Cooper, C. Cargenelli, R. Thomas, J. Morris.

## Women's 'B' Hockey

Though having fallen short in their unending quest for victory, this year's highly publicized and spirit-laden "Killer B's" did reach a number of milestones. Add to their list of accomplishments: charging on the fly, jumping the boards, two goals in the same game (and both by the same player no less) and an entire half without a goal scored against them. At this rate, that ever-erasing victory remains just around the proverbial corner. Here's to more of the same entertaining style of hockey in 1987-88!

Team: N. Wood, L. McSweeney, K. Houle, P. Smith, P. Sabjlec, N. Naumoff, M. Hogan, C. Harnois, K. Reid, B. Cobban, K. Braund, J. Whittman, M. Hum, C. Wu, K. Chambers, C. Santomero, P. Lawrence, A. Stiger, K. Wheeler, C. Lichong.

What a save

Let's go ladies

My bra strap

Mad scramble

N. Keogh, K. Marshall, N. Paris, J. Kantor, N. McDermott

# women's volleyball

## 'A' Volleyball

"It's not whether you win or lose, it's who's the best looking team in the gym," says Trever. Well, although they got off to a good start, the girls choked in the stretch and didn't make the playoffs. But next year's forecast is optimistic with the return of most of the team and the strong coaching of Ray Lur.

## 'B' Volleyball

The girls were 13 and 1 in the regular season led by the strong playing of vets Carla Santomero, Wendy Henry, and Pat Lawrence, Leiba Snitman and strong support from a healthy rookie core. Unfortunately, in the first round of the playoffs they met the only team they had lost to in the regular season. A heartbreaking third game was lost! A good team is expected for next year with almost everyone returning including coaches Andrew Flynn and Roger Renaud.

## 'C' Volleyball

Hey, what can we say! Starring: Denise "Cannonball" Tunney, Monica "the Powerpac" Plant, Marcus "the Peppery" Pena, Daphne "the Wacky Wonderful" Wahnon, Liz "Maverick" McLaughlin, Tamara "Mighty" Makhan, Louise "Awesome" Aubin, Nicky "Leaping" LeeDen, Karen "Hopping" Houle, Sharon "the Terror" Tai-Young.

R. Renaud (Coach), M. Delabre, D. Willard, N. Vucak, C. Santomero, W. Brown, A. Flynn, Coach P. Kovacs, S. McNamee, P. Lawrence, P. Plant, L. Lofos, S. Phillips, Benching in: L. Snitman, D. Fogel.

Spike city

'C' team

Here it comes again

# men's volleyball

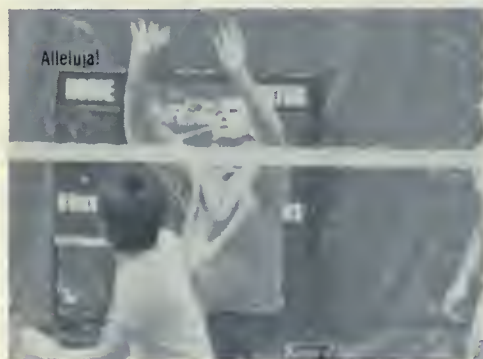

## 'B' Volleyball

The Men's B Volleyball team had a disappointing season this year, finishing 2 and 5 in the regular season. They are looking forward to next year, however, when great things are expected. Team: L. Pedretti (coach), R. Caccamo, A. Flynn, D. Friday, A. Polcharczyk, G. Ross, E. Notarandrea, R. Sloan, Guest Appearances: B. Boulanger, J. Lee, R. Panza, J. Muchinski, N. Baxter and Dave.

## 'C' Volleyball

The SMC Sabres Volleyball had an outstanding season, culminating in a victory over Pharmacy in the championship match three games to one. At press time the Pharmacy squad had lodged a rather 'dubious' protest, the result of which was unknown. The team can, however, take pride in winning the championship on the court.

A sincere 'thanks' goes out to all who helped organize, coach and play on St. Mike's teams this year. Your involvement has contributed immensely to the sense of community at St. Mike's and will undoubtedly inspire greater participation in the years to come.

This picture IS in focus

# basketball

Men's 'B' Basketball Team: S. Hickey (coach), F. Luchetta, C. Wheeler, I. Sempowski, J. Sabol, A. Turner, D. Wong, D. Adderley, T. Costigan, S. Thompson.

Men's 'C' Basketball Team: P. VanHezewyk (captain), A. Gray, M. Montgomery, D. Cruz (MVP), M. Ianieri, D. Capuricci, M. Pancierci, B. Leong-Poi, H. Leong-Poi, T. Cinquina, N. Oerlemons, B. Flaherty, R. Smith.

Women's 'C' Basketball

This 'rookie team' worked hard this season and had fun while they were at it. Due to their less than average height and some unfortunate injuries the girls placed fifth with 2 wins and 6 losses. But never fear, they will be back next year in full force to reach new and greater heights!! Team: S. Tai-Young, K. VanBakel, R. Martilla, M. Rabindranath, T. Welter, D. Chen, L. Snitman, L. Twydell, K. Wheeler.

## this was then,

Some things we shall always remember and some things we should never forget. Throughout these pages, we reflect on our years here at St. Michael's College to recollect the sports, the events, and of course, the academics. We think of the friendships we nurtured and the victories and defeats we were part of. So we move on, to discover the best and worst of times.

Tune me.

# release

The performance of Mike Masdel on Saturday, November 15 was indeed a night to remember, or to forget, depending on whether you were brave (or foolish) enough to subject yourself to the mentalist's manipulation of the mind. Upon Masdel's arrival, the room was transformed into a cabaret, complete with candlelight and soft (if) music before the show, and this set the right mood for a hilariously intriguing presentation. Shrieks of laughter filled the hall as the audience followed his "concentration" through a roller coaster ride, a heat wave, a cold spell, and a dance ride. The outrageous antics of the flamenco dances, Tarzan (I am King) and Jane, the lottery winners and that girl, hmmm, I can't seem to remember her name... added to the hilarity. The evening was truly amazing, and one of the most enjoyable Double Blue events of the season.

## 'twas the last day

'Twas the Last Day of Classes .

'Twas the last day of classes,  
And all through the College,  
Not a creature was studying  
Not even Heidi!  
(Who the hell is Heidi???)  
The parties were nestled  
All snug at "The Mike",  
With visions of "The Doctor"  
Dancing in their heads  
The wine and cheese party  
Set in the Lounge with such care,  
In hopes that Johnny Torment,  
— I mean, St. Nicholas —  
Soon would be there,  
And then there was Sullivan,  
Serving nog in a snap,  
The grand old tradition,  
Before our long winter's nap,  
Up at the Pub,  
There arose such a clatter,  
I sprang from my stupor,  
To see what was the matter . . .  
The rest is a blur,  
The vaguest of memories,  
So I wish "Merry Christmas to all,  
And to all a Good Night!"

Unmasked at last (if anyone cares)

Some things are better left unsaid

They are

This is the yearbook haven

# winterfest

The first weekend in January marked one of the most memorable and enjoyable events of the season - Winterfest. The two day long festivities were well attended by St. Mike's and Vic students alike. The party started on Friday afternoon. Originally scheduled to begin the events was skating on Vic Pond. Unseasonable warm weather, however, forced organizers to replace the event with a Dodge ball game; hot chocolate and hot dogs were provided for all participants.

The next event was the double pub at St. Mike's which indeed proved to be the biggest success of Winterfest. A good mix of music both upstairs and downstairs at the pubs kept the dancers grooving all night.

The weatherman decided to cooperate with the organizers on Saturday. An overnight 'snowfall' set the conditions and mood right for the games on the Orientation field. Although it took the SMC teams a while longer to get themselves organized, in the end, they came through with more spirit and roar, and indeed, went on to make "TOAST" out of the Vic teams. Whether it was in kegball or the obstacle course, the beer snatch or 'swing-that Dode', the St. Mike's teams proved that they would again dominate. The beer and pizza that followed in the Lounge gave the weary participants the chance to thaw out and warm up!

The festivities then moved to the Vic Pub where Winterfest came to its close for another year. Our congratulations go out to Brian LeDuc, chairman of the Winterfest Executive, and to his core group of organizers for making Winterfest one of the best events of the new year!

# dining, dancing, drinking

an evening to  
remember

'Some things we shall always remember  
and some things we should never forget'. And  
it is this thought we have tried to capture in  
Windrose '87. Sadness surrounded the Col-  
lege with the unfortunate death of Father  
John M. Kelly. With this sadness, we knew  
the book should be in his memory. The Col-  
lege of St. Michael's is more than buildings,  
academics, sports clubs or events. But, as  
Father Kelly showed us, this College is the  
people, those of the past, those of the pre-  
sent and those of the future. It is time that  
becomes essential to each and every one of  
us.

Time

time passes

so very quickly

too precious to ignore

too long to think

to wait

yet another second has passed

fading

fading

fading

gone

forever

It seems

life transforms us

into people

undergoing stages:

youth to

adult to

old age to

death to

inspiration

When will we know

when time matters.

When darkness

has awakened

and dawn

has deceased

forever . . .
